Wednesday, November 8, 2017
Rutland, Vermont

Join us this fall to celebrate “*Vermont Communities By Rail*” on Wednesday, November 8th at the [Southside Steakhouse](#), 170 So. Main St. in Rutland.

With planned extensions of [Amtrak](#) lines in Vermont to Burlington and Montreal, and news about regional rail service that will connect Vermont cities and towns with convenient daily service for commuters, there is much to celebrate.

VRAN EXPANDS!

The VRAN Board is pleased to introduce its new Executive Director, [Larry Lewack](#), two new board members, Ben Elmore and David Schilling, new offices in downtown Burlington, website improvements, and ambitious rail advocacy plans for the year ahead!

Join us for an evening of networking and fun with delicious food, special guest speakers, and awards. Come raise a glass to the coming ‘Golden Age’ of passenger rail in Vermont!
